Onderwerp: Confirmation participation HyMobility Matchmaking Day March 13th

Dear Participant to the HyMobility Matchmaking Day, we are in full preparation for the bog day to come!

Your participation is confirmed.

We will be with close to 250 hydrogen enthusiasts, authority representatives, 13 hydrogen trucks for driving experiences, 2 hydrogen power generation units, 45 break-out sessions and most and last but not least the most important: many transport companies and shippers. We have a full house next week and all break-out rooms being filled.

This document will guide you to have as best as possible practical information for the day.

Agenda March 13th:

08.00	Reception and vehicle demonstrations
10.00	Welcome and arrival at the provincial government building / handover keys new trucks (press moment)
10.30	Official opening - Speech by Mr Van Schie
10.45	Speech program office HyMobility – RG / DL
11.00	Speech IenW - Kees Verbogt
11.15	Elevator pitch truck + discussion suppliers - moderation RG MAN, Westport, E-Lions, Zepp, Refire, Scania, Hyundai, Evarm, Hyliko, Keyou, Hylane
11.30	Elevator pitch + discussion – moderation DL AL, AP, GreenPlanet, GreenPoint, Kuster, Resato, Holthausen, FountainFuel, VoltH2, Cicule8, TEAL Mobility
11.45	Explanation breakout sessions by RG/DL
12.00	Lunch in foyer / press events (Green Planet / Fountain Fuel / Rygg)
13.00	Matchmaking sessions and company presentations (see update website for the latest status)
16.45	Closing remarks by Bert Strijker (Waterstof Utrecht)
17.00	Network reception

How to reach the event location for visitors?

Directions to the Utrecht Provincial Government Building (Provinciehuis)

The Provinciehuis is located at Archimedeslaan 6, 3584 BA Utrecht. Below are the best ways to reach the location.

🚇 **By Public Transport**

Utrecht Central Station is the main hub. From there, the journey takes approximately 15–20 minutes.

* Bus: Take Bus 28 (direction Science Park via Rijnsweerd).
* Stop: Get off at the "Archimedeslaan" bus stop.
* Walking: The office building is just a 2-minute walk from the bus stop.
* *Tip: Use 9292.nl or Google Maps for real-time departure shifts.*

🚗 **By Car**:

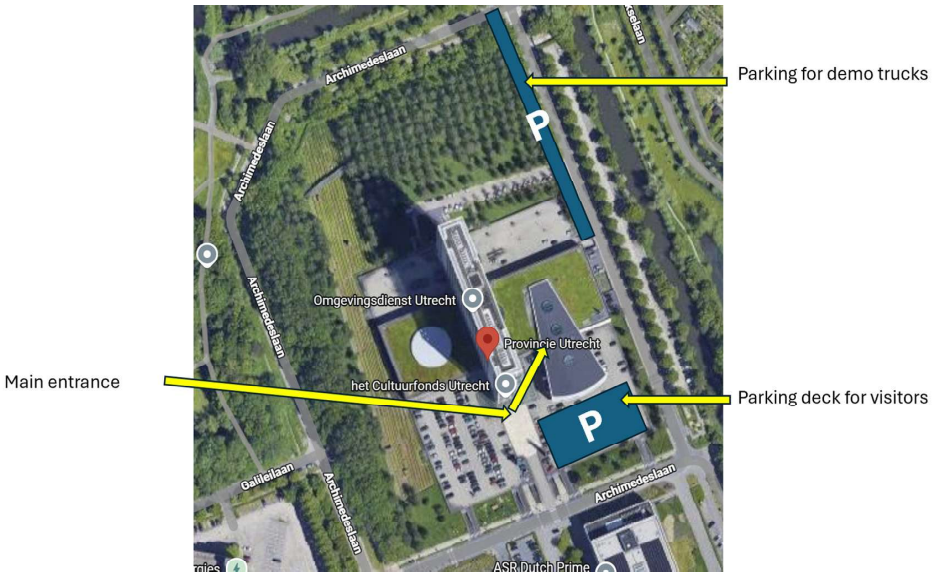
If possible, please carpool to the event location due to restricted parking places or use public transport.
The Provinciehuis is conveniently located near the A27 and A28 motorways.

* From the A27: Take exit 31 (Utrecht-Noord) and follow the signs toward "Rijnsweerd".
* From the A28: Take exit 2 (Utrecht-Science Park) and follow the signs for "Rijnsweerd/Centrum".
* Navigation Address: Use Archimedeslaan 6, Utrecht in your GPS.

🅿️ Parking

* Visitors can park in the on-site parking garage (P-Provinciehuis).

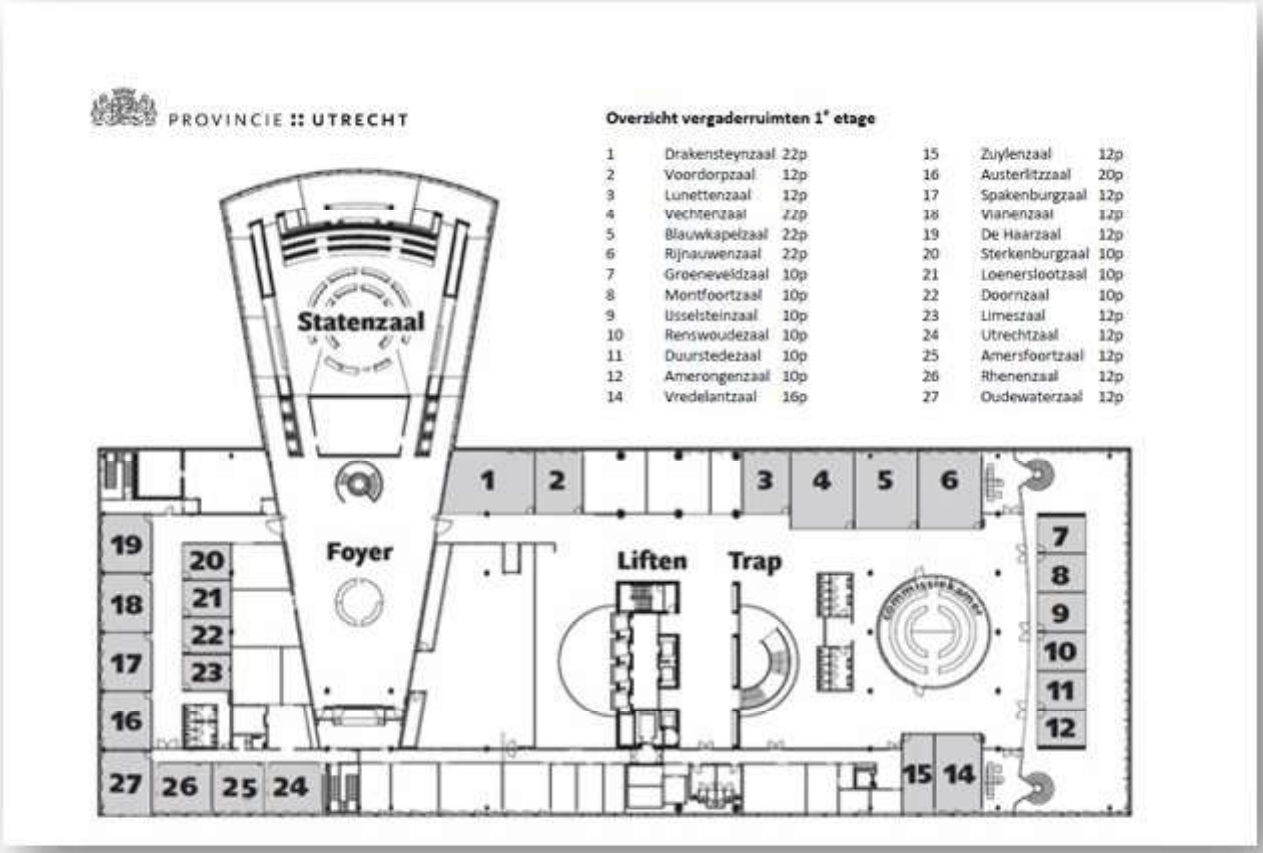
* Upon arrival at the barrier, please announce yourself via the intercom and mention that you are guest for the HyMobility Hydrogen event; the reception will grant you access.
The entrance for the event will be marked by HyMobility flags and is 50 mtr east from the main entrance and under the conference building!



For those visiting during the day the truck location for driving experiences: 1) Follow instructions that will be given during the day, 2) be visible always, 3) don't cross the street between the trucks, 4) take care of the driving direction of the trucks and 5) use the side walk/grass to get there. The event organization is not liable for any injuries / direct / indirect damages. Please take comfortable shoes with you.

Hotel information
For those wanting to stay before or after the event we can recommend that you book one of the following hotels (please click the link).
Hotels nearby : Van der Valk in De Bilt or cheaper alternatives Postiljon Bunnik or Corona in Zeist

Event Location:
As from 09:00 trucks can already be visited and driving experiences can start.
The plenary presentations in the morning will be in the Statenzaal starting from 10:00 (arrival) until 12:00.
Lunch and network meetings will be organized in the Foyer.



Each participant has to register itself at the reception desk at the 1st floor (the event floor) and receives a badge with name, position and company name as well as the planning for afternoon sessions in the break-out rooms.

Programme
Please find on the website https://hymobility.org/ any updates for the day program as well as any update for the break-out sessions. Any major change will be regularly posted there.
During the event we will also have an information corner with the actual program for all break-out sessions.

Press
National press will be around on the event location during the day. Some photo's and footage will be recorded.

Any questions while living up to the day or during the day? Please contact:
